

West-Ville Constructions Pty Ltd is a **family owned** and **run business** and fully Australian owned. We are proud to have more than **40 years** of combined experience in the **commercial** and **residential** constructions industry.

Our projects include **commercial & residential** construction, environmental and luxury homes, office fit-outs, home and building renovations, Childcare centre and more. West-Ville Constructions is committed to providing a unique service to our clients and we strive to achieve **excellence in construction** in every project we take on.

To support our value, our commercial and residential renovation projects have won several **HIA awards** over the past years. Our highly dedicated trade experts have outstanding quality in their fine workmanship and like us, pride themselves on delivering environments that are truly exceptional and inspiring to others. West-Ville Constructions offers superb project management to each and every project with the aim to run on time and within budget.
